How Your Money Is Managed

The Canadian dividend investment specialist invests primarily in large cap securities and selects securities by applying a dividend income valuation approach. Diversification is achieved by investing in a variety of industry sectors. Depending on prevailing market conditions, Counsel Canadian Dividend may also invest in equity and fixed income securities, income trusts, convertible securities, mortgage-backed securities and money market instruments of issuers anywhere in the world

Investment Specialist

One of the most important factors for Portfolio success is having the ideal investment specialist for your investment. The investment specialist selected for Counsel Canadian Dividend is Lincluden Investment Management*.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.
