Effective Currency Exposure

The Counsel Investment Solution uses forward contracts to hedge against unfavourable Portfolio performance by changes in exchange rates. The Portfolio manager or sub-advisor has the discretion to change the effective currency exposure at any time after the date of publication.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
