

COUNSEL | PORTFOLIO SERVICES

June 27, 2016

Dear Securityholder,

The Independent Review Committee (IRC) of the Counsel Funds is pleased to provide its annual report for the period ended March 31, 2016 as required by National Instrument 81 - 107 *Independent Review Committee for Investment Funds*.

Your IRC has a mandate to review conflict of interest matters identified and referred to the IRC by Counsel Portfolio Services Inc. (the Manager) in respect of the Counsel Funds (the Funds) and to give its approval or recommendation, depending on the nature of the conflict of interest matter. A "conflict of interest matter" is a situation where a reasonable person would consider the Manager or an entity related to the Manager to have an interest that may conflict with the Manager's ability to act in good faith and in the best interests of the Funds. In each instance where a conflict of interest matter is identified and referred to the IRC, the focus of the IRC is to determine if the Manager's proposed action achieves a fair and reasonable result for the Funds.

At least annually, the IRC also reviews and assesses the adequacy and effectiveness of the Manager's policies in respect of the Funds and conducts a self-assessment of the IRC's independence, compensation and effectiveness.

The IRC's duties and functions are distinct from those of the Manager's Board. The latter are described within the report.

The members of the IRC, whose identities are listed in the report, bring to their duties a wide range of business experience.

The IRC continues to be well satisfied with the open and cooperative attitude the Manager has brought to its interaction with IRC members. They look forward to maintaining that level of cooperation and to continue to consider whether conflict issues are resolved in a manner that achieves a fair and reasonable result for the Funds.

Robert Hines
Chair of the Independent Review Committee

Report of the Independent Review Committee of Counsel Funds for the Year Ended March 31, 2016

Structure of the Funds and Their Governance

Counsel Portfolio Services Inc., the manager of the Funds, (the "Manager") is governed by a Board of Directors. A majority of the members of the Board are independent of the Manager. The Board and committees of the Board oversee matters relating to the Funds including monitoring investment performance, reviewing financial statements and management reports of fund performance, receiving reports on the operations of the Funds and reviewing proposed changes to the Funds including changes to investment objectives and strategies.

Scope of Report

The Funds have a financial year that ends on March 31 and this report relates to the twelve month period ended March 31, 2016. The Funds are listed at the conclusion of this report.

The IRC and its Membership

The IRC became operational on November 1, 2007. The names of the members of the IRC are listed below. Mr. Robert Hines, Mr. Martin Taylor and Mr. George Hucal were appointed effective May 1, 2007, and Scott Edmonds was appointed effective February 24, 2012. Each member has been subsequently reappointed with the agreement of the Manager. Robert Hines was appointed Chair on February 1, 2013.

Name	Residence
Robert Hines (Chair)	Toronto, Ontario
Martin Taylor	Toronto, Ontario
George Hucal	Montreal, Quebec
Scott Edmonds	Vancouver, British Columbia

All IRC members are independent of the Manager and maintain transparency in relation to their personal holdings of Funds and securities of the Manager. As at March 31, 2016, the members of the IRC did not beneficially own, directly or indirectly, any outstanding units of any series of the Funds. As at March 31, 2016, the members of the IRC did not beneficially own directly or indirectly, in the aggregate, more than 0.1% of any class or series of voting or equity securities of the Manager or its indirect parent companies, Investment Planning Counsel Inc., IGM Financial Inc., Power Financial Corporation or Power Corporation of Canada. As at March 31, 2016, the members of the IRC did not beneficially own, in the aggregate, directly or indirectly, more than 0.1% of any class or series of voting or equity securities of any material service provider to the Funds or the Manager. The members of the IRC also serve, in a separate capacity, as members of the IRC for mutual funds managed by Mackenzie Financial Corporation, an affiliate of the Manager.

Compensation and Indemnities

The members of the IRC are entitled to be compensated by the Funds and to be indemnified by the Funds in appropriate

circumstances. The aggregate compensation paid by the Funds to the IRC for the period from April 1, 2015 to March 31, 2016 was \$89,000.

The members of the IRC were not paid any amounts under the indemnities provided to them by the Funds during the period.

The IRC reviews and determines its own compensation on an annual basis as required by NI 81-107. In deciding the appropriate level of compensation, the IRC:

- considers the Manager's recommendations on reasonable compensation for the IRC
- considers the work-load of the IRC and the contribution made by each of its members
- considers the benefit accruing to the Funds as a result of the IRC activity
- considers the complexity and difficulty of the tasks undertaken by the IRC, and
- conducts a review of the compensation and expenses that other Canadian mutual fund governance agency members receive in comparable circumstances at the applicable time period, if that information is publicly available and accessible by the IRC.

Summary of Conflict of Interest Matters

Approvals and Standing Instructions

During the period, the Manager relied upon the approval and standing instruction of the IRC in order to enable the Funds to invest in related issuers of the Funds. Absent IRC approval, the Funds could not have made these investments. For purposes of the above, a related issuer of a Fund is an issuer who is a substantial securityholder of the Manager (holding more than 20% of the voting securities of the Manager) or an issuer in which a substantial securityholder of the Manager has a significant interest (holding more than 10% of the voting securities of the issuer), or an issuer of which a director or officer of the portfolio manager or an affiliate of the portfolio manager is also a director or officer.

The standing instruction requires that the Manager act in accordance with the Investment in Securities of a Related Company Policy, make periodic reports of its adherence to the Policy accompanied by certificates of the applicable portfolio managers attesting thereto and provide timely notification of any material breaches of, or exceptions to, the Policy.

During the period the Manager relied on the approval and standing instructions of the IRC in order to engage in inter-fund trading (which is also referred to as cross-trading). Inter-fund trading occurs when a Fund purchases portfolio securities from or sells portfolio securities to another Fund. This standing instruction requires the Manager to act in accordance with the applicable policy, make periodic reports of its adherence to the policy and provide timely notification of any material breaches of, or exceptions to, the policy.

Positive Recommendations

During the period, the Manager relied upon the recommendation of the IRC to proceed with the following proposals:

- (a) to merge Brigata Diversified Portfolio into Counsel Regular Pay Portfolio; and
- (b) to redesignate Series F of the Counsel Funds as Series D.

Positive Recommendations and Standing Instructions

The IRC reviews existing standing instructions each year and the Manager's proposals to continue or terminate those standing instructions. The IRC also reviews, from time to time, the Manager's requests for new standing instructions. As a result of the IRC's reviews during the year ended March 31, 2016, the Manager received positive recommendations and standing instructions in respect of the conflict of interest matters addressed by the following policies:
