Key Reasons To Invest In This Fund

- Seeks to achieve a moderate level of income while preserving investment capital and liquidity.
- The fund invests, either directly or through securities of other mutual funds, in a diversified Portfolio of primarily Canadian fixed income securities.
- Provides regular monthly income from conservative investments.

How Your Money Is Managed

The Canadian short term fixed income specialist seeks to maximize income while simultaneously preserving investment capital and liquidity by investing primarily in debt obligations issued or guaranteed by the Canadian federal or provincial governments or any agency of such governments, as well as debt obligations of Schedule 1 Canadian chartered banks, debt obligations of loan or trust companies and debt obligations of corporations. In each case, such obligations may have a term to maturity of up to five years..

Investment Specialist

One of the most important factors for Portfolio success is having the ideal investment specialist for your investment. The investment specialist selected for Counsel Short Term Bond is Mackenzie Investments†.

Yield to Maturity and Duration stated in this report have been calculated and provided by the underlying sub-advisor(s) to the fund.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.
