Key Reasons To Invest In This Fund

- Long-term capital growth.
- Exposure to U.S. markets.
- Medium tolerance for risk.

How Your Money Is Managed

The portfolio will typically hold 30-40 securities of large-cap U.S. companies that are building strong, successful business models by growing revenues, trimming costs and increasing enterprise values thanks to their sustainable business advantages (SBA). Using a disciplined, bottom-up fundamental research approach, the investment specialist maintains a low-turnover, concentrated portfolio with the potential to drive attractive performance results over time. Diversification is achieved through investments in a variety of sectors across the U.S. market. Depending on the prevailing market conditions, Counsel U.S. Growth Equity may also invest in U.S. fixed income securities and equity and fixed income securities of issuers anywhere in the world.

Investment Specialist

One of the most important factors for Portfolio success is having the ideal investment specialist for your investment. The investment specialist selected for Counsel U.S. Growth Equity is Brown Advisory LLC.
