--------------------------------------	---------------

The effective allocation shows the regional, sector, or currency exposure of the Fund calculated by including the Fund's proportionate share of its holdings in Underlying Funds and Index participation units. The Simplified Prospectus and other information about each of the Underlying Funds are available on the SEDAR website at www.sedar.com.

The investments and percentages may have changed by the time you purchased securities of this Fund. The Summary of Investment Portfolio is made available quarterly, 60 days after quarter-end, except for March 31, which is the fiscal year-end for the Fund, when it is available after 90 days.
