How Your Money Is Managed

The global dividend specialist aims to provide income and capital preservation by using proprietary models in the security selection process. It identifies those companies from across the entire global dividend-paying universe, who are best able to sustain and raise their dividends payouts over time. Depending on market conditions, Counsel Global Dividend may also invest in fixed income securities, trusts, convertible securities, mortgage-backed securities and money market instruments of issuers anywhere in the world.

Investment Specialist

One of the most important factors for Portfolio success is having the ideal investment specialist for your investment. The investment specialist selected for Counsel Global Dividend is Acadian Asset Management LLC.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.
